. For further details and to book places please contact

gaynornewbery@gmail.com

Tearfund are holding a Big Quiz Night on Saturday 17th November, when they are encouraging hundreds of local churches to join in.

We are hosting your local quiz at Ottershaw that night and we want you to help us raise money to support the work of Tearfund as well as have some fun and put your brains to work. The quiz will have a range of questions for people from all sorts of ages, nations, backgrounds and areas of knowledge to get involved. The categories include General Knowledge, Food and Drink,

Geography, Film and TV, Sport and Music. It's a great event to get the whole community involved, and so do use it as an opportunity to invite your friends. We are hoping that you will give generously as every pound raised will be going to help transform the lives of people like Areej and her children, forced to flee the conflict in Syria, and living as refugees in a tent in a camp in Lebanon for the last 7 years. She is grateful to be alive, but refugee life is hard. Tearfund partners are helping with emergency supplies, but also running workshops to help them cope with their pain. Some children have grown up knowing nothing but the violence and upheaval brought by war. They are being helped to recognise and manage emotions like anger and work through the trauma they have experienced. Children are now

beginning to speak about

being able to feel joy again, to love themselves, and trust those around them. Areej speaks of the restoring power of these workshops, and says she has inner peace and joy in her heart, which is truly amazing given her circumstances! This mix of material and emotional support is laying the foundation for the healing of a generation of people devastated by conflict.

All money raised will go to help people like Areej and her family.

Thank you.
